📍 Edmonton  
(relocating from Toronto)

As a Management Consultant, I presented strategies to improve the Accelerator Centre's programs for women in tech. And this is when I thought to myself, 'Why don't I work as a developer in tech myself?'. Today as a developer, I bring everything I love about UI/UX and innovation to every line of code I write.

## EDUCATION

Web Dev Bootcamp, 3/2020  
Accelerated Web Dev, 9/2019  
Juno College of Tech, Toronto

Master of Business,  
Entrepreneurship & Tech,
