CLAUDIA AHN

Web Developer

🌐 claudiaahn.com | ✉ claudiamhahn@gmail.com | 🐙 github.com/cma129

I'm a web developer with a passion for UI/UX and a Master's degree in Business, Entrepreneurship and Technology from the U of Waterloo Engineering. Using my background in tech start-up, management and fashion, I bring everything I love about the process of creating, user-centric design and innovation to every line of code I write.

SKILLS

React, GraphQL, Gatsby, Contentful, HTML5, CSS3, SCSS, JavaScript, jQuery, REST API, WordPress, Shopify
Git, Github, Best practices for modern web development, Mob programming, Accessibility, Responsive design

EDUCATION

Juno College of Technology, Toronto ON
Web Dev Bootcamp, 3/2020 | Accelerated Web Dev, 9/2019

University of Waterloo Engineering
Master of Business, Entrepreneurship and Technology, 8/2018

Fashion Institute of Technology, State University of New York
B.Sc., Fashion Business Management, 5/2014

PROJECTS

My Beer Selection - REACT | REST API
React-based app to create a personal beer selection that uses an API call

What Should I Wear Today? - jQuery | SCSS
jQuery-based app that recommends today's look based on user's input

EXPERIENCE

Freelance Web Developer | 2/2020 – Present
- Create websites (using React, GraphQL, Shopify, and WordPress) for clients in various industries individually as well as with senior developers using Github
- Most recently built a Gatsby-based blog site under the supervision of an engineering manager
- Won the 3rd place in a full-stack Mint Bean Hackathon

Shopify Developer | 5/2020 – Present
ShopHERE (developed by City of Toronto, Digital Main Street and Shopify)
- Collaborate with City of Toronto and Digital Main Street to support small businesses that have been impacted by COVID-19 by volunteering to build ecommerce Shopify sites

Management Consultant | 3/2018 – 7/2018
The Accelerator Centre, Waterloo, ON (Award-winning accelerator center for tech startups)
- Provided recommendations to promote inclusivity for women in tech startup sector
- This opportunity led me to think to myself, 'Why don't I work as a developer in tech myself?'.

Merchandiser | 9/2015 – 5/2016, **Product Coordinator** | 7/2014-9/2015
Ballet Jewels, NY, NY (America's leading jewelry wholesaler)
- Conducted product management activities for over $20 million retail clients
- Worked closely with designers regarding development matters and planned product designs
